### **Observation & Consent**

---

New Nursery School has my permission to have visiting teachers or student teachers observe my child while in class. NNS will make it clear that the observer is to note only the first name of your child and that information shared surrounds the classroom activities and curriculum. Every observer will have to complete a criminal background check in order to be allowed into the school. I hereby give permission to allow my child to be observed by visiting teachers or student teachers.
